- 1 x Quick Start Guide
- 1 x Screen Cloth

## Power up

### Using the International DC Power Supply

Secure the DC connector from the included International DC Power Supply to the DC Power Jack on the SHOGUN CONNECT. The optional ATOMOS D-Tap to DC Barrel Coiled Cable (ATOMDTPCB2) can also be used to connect a D-Tap power source.

### Using Batteries

To connect a compatible battery, place the battery in front of the retaining lug, align with the connectors and slide the battery into the slot until it clicks into place.

#### ⓘ Ensure NP-F / L-Series type batteries.

Tap the battery icon in the top right of your SHOGUN CONNECT screen to view accurate remaining battery life. Refer to the SHOGUN CONNECT User Manual for more information.

## Important

#### ⓘ **WARNING** - Do not obstruct ventilation

When mounting and during use take care not to obstruct the device ventilation at the top of the SHOGUN CONNECT unit.

## Physical features

### a. RF Antenna

Connect the supplied RF antenna for AirGlu™ wireless SYNC functionality.

### b. Tally Light

Red Tally light on the rear of the unit indicates active recording.

### c. Battery Slot

Attach NP-F / L-Series type batteries to supply power in the field.

### d. WiFi Antennas

Connect the supplied WiFi antennas in this position. Wi-Fi 6 provides a high performance wireless connection and mobile hotspot support for connection.

### e. Battery Release

Press and slide batteries away from the unit to remove them.

### f. Media Slot

Compatible with Master Caddy II, III, AtomX SSDmini, AtomX CFast Adapter.

### g. DC Power Connector

Connect the supplied DC power supply to the DC jack for mains power.

### h. 12G SDI In/Out

Connectors are 12G SDI compliant and backwards compatible.

### i. 4K HDMI In/Out

The 4K HDMI input provides for recording from HDMI sources. The 4K HDMI Output provides a live loop out or play-out in Playback mode.

### j. USB-C

For future expanded functionality.

### k. RJ45 Ethernet Port

1Gbe Ethernet for a high-speed robust hardwired network connection.

### l. On/Off + Screen Lock

Press to power the unit on. Hold the button for at least 4 seconds to power off. Tap to lock/unlock the screen.

### m. Mic/Line In

3.5mm input Jack, used to connect Microphone or Line audio sources

### n. Headphone/Audio Out

3.5mm output jack, used for the connection of headphones. Can also be used for analogue audio out.

### o. Remote Control/LANC and Calibration

Allows for remote camera control of supported cameras with the optional USB-C to serial cable (ATOMCAB018) and LANC control with a Y cable. The Calibrite ColorChecker Display Pro /Display Plus can also be connected for display calibration with the optional USB to serial cable serial cable (ATOMCAB004).

## Physical features

# Safety Instructions

Your ATOMOS product has been designed to a high standard, but there Your ATOMOS product has been designed to a high standard, but there are some things you should be aware of that will prolong the life of the unit and for your own safety.

## Using your ATOMOS product safely

Although your ATOMOS product is very lightweight compared to all the devices it replaces, it is still a solid object that could cause injury if misused.

- Always make sure that your ATOMOS product is mounted securely and is unable to fall onto anyone nearby. This is especially important when there are children present who might be tempted to pull on cables.
- Always ensure that cables that run to your ATOMOS product are clearly visible and do not present a trip hazard.
- Do not place on uneven or unstable surfaces.
- Do not insert anything but a Master Caddy III, AtomX SSDmini or CFast II adapter in the drive slot on the rear of your ATOMOS product.
- Do not touch the screen with sharp, metallic or abrasive objects.
- Do not expose to strong electrical or magnetic fields.
- Do not expose to liquids, rain or moisture.
- Do not dispose of your ATOMOS product in municipal waste and do not incinerate it, always follow local regulations for safe disposal.

ATOMOS, SHOGUN CONNECT and AirGlu are registered trademarks of ATOMOS. All other trademarks are the property of their respective holders.

## International Hardware Limited Warranty (1 Year Standard/3 Years if registered)

ATOMOS warrants that:

- The main product, not including the IPS screen, or any external accessories, will be free from defects in materials and workmanship for a period of 1 year from the date of purchase; or 3 years upon completion of product registration within 1 year from the date of purchase at [my.atomos.com](http://my.atomos.com)
- The TFT/LCD, batteries, case and master caddies will be free from defects in materials and workmanship for a period of 1 year from the date of purchase regardless of registration. This warranty is exclusively for the benefit of the original purchaser and is not assignable or transferable.

If during the warranty period the product is shown to be defective ATOMOS may at its option:

a) replace the goods or supply equivalent ones, b) repair the goods, c) pay the cost of replacing the goods or of acquiring equivalent ones and d) paying the cost of having the goods repaired; The customer must notify ATOMOS of any defect in the goods in writing prior to the expiry of the warranty periods set out above. The customer will be solely responsible for returning the goods to ATOMOS or its authorized distributor. Upon acceptance of a warranty claim by ATOMOS, where ATOMOS repairs or replaces the goods, it will be responsible for reasonable shipping costs incurred in sending the goods to the Customer, provided that customer is located in a country in which ATOMOS has an authorized distributor or repair center or agent.

## Warranty Exclusions

This warranty applies only to defects in workmanship and does not cover

# Warranty & Conditions CONT.

defects caused by:

- A failure to comply with the then current operating instructions issued by ATOMOS;
- Neglect;
- Improper or negligent acts or omissions;
- Unauthorized repairs or attempted repairs;

- Connection to incompatible equipment or power sources;
- Exposure to water or weather;
- Exposure to magnetic fields or corrosive liquids or substances;

EXCEPT AS STATED IN THIS WARRANTY, ATOMOS, IT'S VENDORS, AGENTS, RESELLERS AND DISTRIBUTORS DISCLAIM IN THEIR ENTIRETY ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE REMEDIES OUTLINED IN THIS WARRANTY ARE THE EXCLUSIVE REMEDY A CUSTOMER HAS ARISING FROM DEFECTIVE GOODS WHICH ARE SUBJECT TO THE WARRANTY. ATOMOS DOES NOT WARRANT THAT THE GOODS WILL OPERATE IN A MANNER WHICH IS ERROR FREE, OR UNINTERRUPTED. THE GOODS ARE NOT INTENDED TO BE THE PRIMARY OR ONLY DATA STORAGE DEVICE FOR DATA – CUSTOMERS ARE SOLELY RESPONSIBLE FOR BACK UP AND PROTECTION OF DATA.

## Software License Agreement

IMPORTANT, PLEASE READ CAREFULLY. THIS IS A LICENSE AGREEMENT. This ATOMOS software, related documentation, any included sample images and other files (the "Software"), is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The Software is licensed, not sold.

This End User License Agreement ("EULA") is a legal agreement between you (either an individual or a single entity) and ATOMOS with regard to the copyrighted Software provided with this EULA. Use of the Software provided to you by ATOMOS in whatever form or media, will constitute your acceptance of these terms, unless separate terms are provided by the software supplier, in which case certain additional or different terms may apply. If you do not agree with the terms of this EULA, do not download, install copy or use the Software. By installing, copying or otherwise using the Software, you agree to be bound to the terms of

this EULA. If you do not agree to the terms of this EULA, ATOMOS is unwilling to license the Software to you.

1. Eligible licensees. This Software is available for license solely to purchasers of the ATOMOS product, who have purchased a unit manufactured by ATOMOS and purchased through an ATOMOS authorized reseller, with no right of duplication or further distribution, licensing or sub-licensing.
2. License Grant. ATOMOS grants you a personal, non-transferable and non-exclusive right to use the copy of the Software provided with this EULA. You agree you will not copy the Software except as necessary to use it with the ATOMOS product. You agree that you may not copy the written materials accompanying the Software. Modifying, reverse engineering, translating, renting, copying, transferring or assigning all or part of the Software or any rights granted hereunder, to any other persons or reverse engineering the hardware on which the Software runs, is strictly prohibited. The software is license, not sold. You acknowledge that no title to intellectual property in the Software is transferable to you. You further acknowledge that title and full ownership rights to the Software will remain the exclusive property of ATOMOS and/ or its suppliers, and you will not acquire any rights to the Software, except as expressly set forth above. All copies of the software will contain the same proprietary notices as contained in or on the Software. All title and copyrights in and to the Software (including but not limited to any images, animations, video, audio, text incorporated), the accompanying printed materials, and any copies of the Software are owned by ATOMOS or its suppliers.
3. Reverse engineering. You agree that you will not attempt, and if you are a corporation, you will use your best efforts to prevent your employees and contractors from attempting to reverse compile, derive circuits, modify, translate or disassemble the Software and/or the ATOMOS product in whole or in part. Any failure to comply with the above or any other terms and conditions contained herein will result in the automatic termination of this license and the reversion of the rights granted hereunder by ATOMOS.

ATOMOS reserves the right to terminate this license without prejudice to any additional recourse ATOMOS may have against you if you violate any of its terms and conditions.
